Request for Proposals

Community in Action (CinA), a non-profit corporation located in Ontario, Oregon, is seeking proposals for independent contractors to complete construction and installation of weatherization measures for jobs located in Harney and Malheur counties. It is likely that more than one contractor will be selected to perform these activities.

Bidding will open June 15, 2011, and will close on June 27, 2011, at 3:00 p.m. Mountain Time. All bids must be received by CinA before that time. Preference will be given to Oregon resident bidders. Bidders must comply with the Prevailing Wage Rate and the Davis-Bacon Act. CinA will not consider any proposer unless the contractor is licensed in by the Construction Contractors Board in Oregon and contractors must not be debarred or suspended to do business in the State of Oregon or federally debarred or suspended.

There will be no pre-bid conference.

Specifications for the work may be reviewed at the CinA office between the hours of 9:00 a.m. to 12:00 p.m. and 1:00 p.m. to 4:00 p.m. A full packet of information can be mailed, faxed or emailed upon request.

All questions and comments are to be directed to:
